

Fancy a full English? **Jessica Dance** has created a knitted meal collection as part of 'The Comfort Food Series' in collaboration with photographer David Sykes

il gufo took us to space for their A/W 16/17 collection with silvery fabrics and glossy finished reminiscent of galactic spacesuits and spaceships.

Let the Force be with you. Canada House focuses on an outer space, Star Wars theme for their A/W 16/17 runway show at Pitti Bimbo with some strong back to school ideas.

Danish chef **Kille Enna** introduces a range of four drinkable scents which are designed to be spritzed into a glass of spring water for a fragrant cordial. Inspired by the desire to combine her love of food with a new found interest in scent, ignited by the book *Perfume* by Patrick Susskind.
